

MANIPAL SCHOOL OF LIFE SCIENCES

MANIPAL

(A constituent unit of MAHE, Manipal)

Society of Biological Chemists (India) 8th Annual Symposium - Coastal Karnataka Chapter & 89th Annual Meeting of the Society of Biological Chemists (India)

The Society of Biological Chemists (India) (SBC-I) founded in 1930, has 3700 life members and 42 local chapters with a major emphasis to bring together the researchers in all the field of Biological Chemistry. It is affiliated to FAOBMB and IUBMB.

Objective: The objectives of the Coastal Karnataka Chapter of SBCI is to bring together Biological Chemists and Scientists/Scholars from closely related area of Life Sciences, working in various Universities, Institutions and Departments of Karnataka State. Smaller meetings of this nature brings together people with common interest and encourages collaborative research. Also, local chapter aims to provide platform for the young researchers and faculties to present their work, share their ideas, get exposure to recent developments and discuss the implications of development in the field of Biological Chemistry as well as their applications in various fields such as medicine, pharmaceutical industry, diagnostics, plant, animal and microbial sciences.

Organizers: Manipal School of Life Sciences, MAHE, Manipal

A constituent Institution of Manipal Academy of Higher Education, Manipal will host **virtually** the 8th symposium of Coastal Karnataka Chapter of SBC and 89th Annual Meeting of the Society of Biological Chemists (India) with the main objective of imparting recent knowledge in the field of Biological Chemistry and allied fields for faculties, researchers and students.

Target Audience: Faculty, Researchers and Students from Academia

Hosted by: Manipal School of Life Sciences, Manipal

Date: Wednesday, 18th November, 2020

Registration Fees

SBC(I) Members: Free

SBC(I) Non-members: ₹100

Students (Bachelors & Masters): ₹ 50

Last Date for Registration: 15th November, 2020

Registration & online payment
